

Diaspora ReSTART Project

Método Estudios Consultores is an international consultancy company specialized in training, research and technological development services that bases its value proposal on a solid commitment with clients, collaborators and with people of the organization.

We are part of a new project to promote entrepreneurship, **Diaspora ReSTART**, which will **give support to the Romanians of the diaspora with entrepreneurial spirit** for the start-up of business in Romania, favoring the development of the local business network.

We will carry out a program of **education in entrepreneurship, assistance and financing for the implementation of business plans** in Romania, **400 Romanian** currently residing in Spain will benefit from the project.

The Diaspora ReSTART project, will contribute through online training in entrepreneurship, to the development of business skills among people from the diaspora, who want to return to their country of origin to develop their own business.

Once trained, the participants will present their business plans and a contest will be held for the selection of the **sixty most viable plans, which will be financed by the project**. Likewise, a personalized **advisory, consulting and mentoring service** will be offered to provide support to the finalist plans and the correct functioning of the companies that are put into operation will be monitored thanks to this project.

Diaspora ReSTART will have a great impact on the return of Romanians to the country, **stimulating entrepreneurship and creating new jobs**. In this way, Romanians trained in Spain will have the opportunity to take advantage of the knowledge and experiences acquired and put them into practice in their country.

The focus of the project will be on Romanians in Spain, United Kingdom, Germany and France, but Romanians living in other European countries can also participate.

The project is financed by the European Social Found, within the framework of the Human Capital Program of Romania POCU 2014-2020. The project is led by Consiliul pentru Intreprinderi Mici si Mijlocii Private din Romania, and participate as partners, Grupo Método, Global Commercium Development SRL, Fundatia Centrul pentru Acces la Expertiza Studenților și Absolvenților Români and Agentia de Dezvoltarea Regionala Nord-Est. All beneficiaries of the project have great experience in the execution of social projects. Grupo Método has been successfully participating in projects in Spain for over a decade and has more than 5 years of international experience in Latin America, Bulgaria and Romania, promoting employability, professional qualifications, equal opportunities and institutional strengthening.
